Soft Skills: Communication, Team Leadership, Time Management, Customer Service

EXPERIENCE

Trading Assistant

Sainsbury's, Ilford

May 2025 – Present

- Handled shelf stocking, product rotation, and store presentation to ensure inventory accuracy.
- Assisted in managing incoming deliveries and restocking efficiently during peak retail hours.
- Supported customer queries, helping them locate products — improving satisfaction and engagement.
- Developed soft skills like time management, reliability, and coordination — essential for agile software teams.

Head of International Press

MAMS MUN, Delhi

May 2025 – May 2025

- Supervised 3 journalist groups, producing articles, satirical pieces, and event coverage during the conference.
- Managed deadlines, editing, and content flow — enhancing project ownership and editorial coordination.
- Strengthened skills in creative leadership, technical writing, and cross-functional collaboration.

Head of Department – Social Media

MAMS MUN, Delhi

Aug 2024 – Aug 2024

- Designed and executed the digital media strategy for MUN promotion using Instagram, reels, and stories.
- Created engaging graphics and scheduled posts aligned with event timelines.
- Demonstrated digital marketing skills, content planning, and backend management of social reach.

Tech Captain

Maharaja Agrasen Model School, Delhi

Aug 2023 – Aug 2024

- Led the school's technical initiatives including event IT support, digital content creation, and YouTube content.
- Delegated tasks to team members and managed video editing, post designs, and scripting.
- Honed backend planning, media management, leadership, and content development skills.
